

NORTH AMERICAN HORSEMEN'S ASSOCIATION CODE OF ETHICS

Dedicated Members of the North American Horsemen's Association Strive to:

- Appreciate and promote the natural splendor of the horse, all equine species and breeds;
- Regard and promote harmony and balance between horse, mankind and the natural world;
- Promote human experience, enjoyment, and need for the horse;
- Safeguard the welfare and humane treatment of horses;
- Respect the welfare, safety and property of other people;
- Support and subscribe to the risk reduction standards of the North American Horsemen's Association.
